GOLD PLAN

In the event of a breakdown*, the Gold Plan will pay or reimburse you for the reasonable costs to repair or replace any of the parts listed in this brochure, less and deductible. If you select this plan, coverage is for all of the components of the entire assembly or system except those listed in the Exclusion section of this agreement.

* Breakdown is the failure of a covered part to perform the function for which it was designed due solely to a defect in materials or workmanship as originally manufactured.

SCHEDULE OF COVERAGE'S

1. Suspension Components

Leaf and coil springs, shackles and bushings, rubber suspension springs.

2. Brake Components

Master cylinder, wheel cylinder, calipers, metal only hydraulic tubing and metal fitting, drums and rotors (when in conjunction with a covered repair).

3. Fresh/Waste Water System Components

Hot water tank, burner assembly, thermostat, thermocouple, gas valve, electronic ignition assembly, P.C. board, diesel/electric heating system, shower assembly, toilet, sink, holding tanks, gate valves, water pump, faucets, traps, fitting and water lines.

4. Roof/Basement
